MeWe is a global social media and social networking service. As a company based in Los Angeles, California, it is also known as Sgrouples, Inc., doing business as MeWe. The site has been described as a Facebook alternative due to its focus on data privacy. In 2022, MeWe announced it will migrate its platform over time to a blockchain-based system.

DERNBACK COLLECTION SLIDESHOWS HISTORY

My name is Anders Dernback. I have created several thousand slideshows over the years. These do not require a teacher, but can be studied as if it were a picture book with text. Most often the subject is history. I have chosen to let more people benefit from this and read them or have students read them. They can be used for teaching purposes.

Weimar Republic

is an unofficial historical designation for the German state from 1918 to 1933. The name derives from the city of Weimar, where its constitutional assembly first took place.

Advantages of slideshows

1. Can be shown to large groups
2. Large text and many images
3. Easy to send electronically and save
4. Easy to change the information
5. Can be sent via various methods and can reach many recipients.
6. Compared to printed information, on paper, clearly lower environmental impact
